Government of Rajasthan

R-CAT
Rajasthan Centre of Advanced Technology

ABOUT R-CAT

R-CAT, a unique IT Finising School, is an initiative taken by the Government of Rajasthan with an objective of imbibing and developing IT skills among the students & mid- career professionals. It envisions to augment an ecosystem to create career opportunities and steer an innovative model in IT education.

Situated in the capital city of Rajasthan (Jaipur) along with a spoke in Jodhpur, Kota, Bikaner, Bharatpur and Ajmer the State-of-the-art campus is equipped with world-class infrastructure and facilities. The centre has been developed to provide well researched and industry-driven courses to provide seamless skill cultivation.
