Become a Red Hat Certified
System Administrator

Red Hat
Training and
Certification

Rajiv Gandhi Centre of Advanced Technology (R-CAT), Jaipur:

The Government of Rajasthan, in collaboration with the IT OEMs, constituted the Rajiv Gandhi Centre of Advanced Technology (R-CAT) to provide a cohesive environment for developing quality technical manpower for the industry and government through globally recognized training and certification program leading to reduction of gap between learning and application of technology thereby providing for better employment opportunities to the youth of Rajasthan.

The Hon'ble Chief Minister of Rajasthan, Shri Ashok Gehlot, launched R-CAT Jaipur on 20th August 2022.

R-CAT & Red Hat

R-CAT has also launched training and certification courses from Red Hat and the first batch in 'Red Hat Certified System Administrator' is scheduled for September 2022. This course will help attain a solid foundation in Linux System Administration and ensure improved ability to manage IT infrastructure efficiently. This will take the learner from minimal Linux experience to being a fully capable Linux administrator. He/she will also go through a boot camp to prepare for the Red Hat Performance Based Certification Exam.

DETAILS:

Course Name	Duration	Boot Camp
